For the Visitors-Wheelings Outbatted the Twins, but Our Errors Were Very Costly-They Play in Uhrichs ville To-Day-Pitzsimmons Measured Again-The traces at Latonia, Last Night's Bowling-Other News of Sport.

NDERSON pitched a better game than elther Reddy or Minuchan, both of whom in turn occupied the box for the Twin Cities yesterday afternoon, and Wheeling would probably have won a nice game but for that long, lank Bow-

erman, who catches for the visitors and occasionally gets the ball over the fence occasionally gets the ball over the fence for a homer in a most unexpected man-ner. He did this yesterday afternoon with two men on bases when the score had been a tie in the eighth, and gave his team a victory that was not antici-pated with much certainty by the Twins themselves. Wheeling managed to get one run in the ninth, but that was all, and the visitors did not have to go in in their half. They had a margin of two runs.

The game was hotly contested throughout and was witnessed by one of the largest crowds of the season, flicen hundred people filling the grand stand and overflowing the bleachers. "Joe" Miller, the new unpire, made his first appearance and umpired a very fair game. He made a few mistakes but neither side was favored nativalarie.

In their half the Twins tied the score. Gallaher-sent a hot one to Regan who threw wild and the runner was sale. Byn followed with a base on balls. Myers sent an easy one down to short which Regan handled but threw wild, allowing Gallaher to score. Me-Millen's single sent the others across the pan, tieing the score. Darrah re-tired the side by going out from Crotty to Fritchard.

Wheeling did not score in the third, although a two-bagger and a single were made. The Twins, however, took the lead in this inning. Rinchart reached first on an error and shaw got there on free transportation—four balls, and both scored on Kalkhoff's costly error in allowing Ryn's grounder to escape him.
Wheeling was again retired in the fourth without a run and the Twins got another. McMillen was hit by Anderson and Darrah secured a base on balls. Bowerman hit asky scraper to left, both Donovan and Kalkhoff going after it. The two came together with terrific force and both dropped to the ground half insensible. McMillen got across the plate before time was called. After five minutes of work both players recovered sufficiently for play to proceed, but no more runs were scored.

The home team didn't have half a show for a run in their half of the eighth, but those unbravenly Twins clinched the rame in a sensational manner. Myers went out from Rezan to Cratty. When the ball disappeared over the fence there was intense silence in the grand stand; nobody seemed to realize what had happened. Wheeling made a desperate effort to at least tie the score in the ninth, but

failed. Davis led off by striking out. Kano followed suit, and the people began to leave the grounds. Pritchard hit for two bases, and the early-goes began to return. Kerr singled, scoring Pritchard. Then the crowd began to enthuse. Crotty added to the excitement by getting to first on Myors' error. With two men on bases a hit would have scored two runs and the score would have been tied.
